Hi Sonja,

I already put on a motion to have [REDACTED] continued because we don't have a decision back on the motion to suppress yet, but [REDACTED] is still on for now. On call would be great.

Best,

Cary

First, I wanted to let you know that I have received your summons for the [REDACTED] scheduled for June 29th and that I am available that day.

Second, I told you that I would keep you informed of the status of my Pittsfield trial schedule for April 7th. Well, the def. ended up pleading so I do not need to go out to the Berkshires that day which leaves me available for both the [REDACTED] and the [REDACTED] with you that day (as well as one with ADA Alyson Yorlano). Please keep me informed if there are any changes regarding these case, and whether or not you would prefer to have me on call that day. Thanks.
